This gracious stone and cedar shake transitional home is sited on over 2 acres of permanent greenspace in exclusive Normandy Glen. This home hosts 4 bedrooms and 3 full baths, and 3 half baths. All of the formal areas are presented along with a living room that offers a two-story ceiling. The kitchen is open to the breakfast room, a sitting room with a fireplace, and the screened porch. The second floor provides an expansive bonus room above the 3- car garage. Custom amenities inside this home include: two staircases, custom built-in bookshelves on each side of the fireplace in the family room, walk-in closets, custom mouldings throughout, ceramic tile in all water access areas, hardwood flooring, granite countertops in the kitchen, walk-up attic space, and first floor utility room.
